

REMARKS

Claims 1-3 and 21-24 have been allowed.

The Examiner indicated that non-elected claims 4-20 have been cancelled.

However, Applicant is entitled to consideration of at least, non-elected claims 4-5, because generic claim 1 has been allowed. Claims 4-5, which depend from allowed claim 1 and recite novel, non-obvious features are, therefore, allowable.

Claim 4 is merely amended to replace "a" with "the" to be consistent with the generic claim 1.

No new matter has been added.

Applicant respectfully submits that the above amendments do not materially affect the application. Applicant respectfully requests the Examiner to enter the amendment. Applicant understands that the deadline for payment of the Issue Fee continues to run from the March 24, 2006 date of mailing of the Notice of Allowance.

Respectfully submitted,
